IN TRIBUTE TO THE REBBE, OBM
Rabbi Menachem M. Schneerson

The Lubavitcher Rebbe, Rabbi Menachem Mendel Schneerson, of blessed memory, the seventh leader in the Chabad-Lubavitch dynasty, is considered to have been the most phenomenal Jewish personality of modern times. To hundreds of thousands of followers and millions of admirers around the world, he was -- and still is, despite his passing -- "the Rebbe," undoubtedly, the one individual more than any other singularly responsible for stirring the conscience and spiritual awakening of world Jewry.

Through his inspired vision, the Rebbe endowed us with a passion for the good and the G-dly, and the means to understand that the good and the G-dly are inherent in our world and within each of us and in our everyday lives.

It is a vision that will inspire the world for generations to come.

KEYNOTE SPEAKER**

**Mazal Tov to Abie Meghnagi on receiving the Man Of The Year Award
and to Ziv & Shoshana Davidon on receiving the Chesed Award.
I am honored to be sharing this evening with you.**

None of us would be here tonight without the endless love, unwavering dedication, infectious inspiration and unparalleled leadership of Reb Mendy and Altie Kasowitz along with their entire Mishpacha.

The Talmud states that welcoming of guests, Hachnasat Orchim, is of greater importance than even welcoming Hashem's Divine Presence, the Shechinah. Our Patriarch Abraham demonstrated this trait as he hastily left Hashem's presence in order to seek out passing travelers. Reb Mendy and Altie lead not by words alone, but by their constant example of warmth, gracious hospitality and living a life filled with the beauty of Yiddishkeit. The entire community has learned this most important trait from both of you and has internalized the mitzvah of welcoming everyone who enters.

From our first hug, I knew this relationship
was going to be a truly inspiring one!

I am humbled to call you my Rav, my Rebetzin and my friends.

**May Hashem continue to bless you and all of your efforts as you lead this
wonderful community to learn and live more Torah each and every day.**

**Dedicated to the Man of the Year
ABIE "SICILIAN ABIE" MEGNAGHI
from his Godfather**

Abie Megnaghi is the son of Camuna and Vito Megnaghi, Italian Jews from the City of Tripoli, Libya, a Jewish world that goes back more than 2,000 years in time and history and ended with the great Israeli victory June of 1967, the famous Six Day War.

The Megnaghi's, together with the 30,000 Libyan Jews left for Rome and then came to America. We met the family in 1974, when both our children were beginning to go to Hebrew Youth Academy.

Abie was two years old.

As Abie was growing up, I was his Defense Attorney at the Hebrew Youth Academy. He was a bit too rambunctious for HYA.

Abie got branded with the name "Sicilian Abie" when two "Geniuses" from Bloomfield Ave in Newark, JR and Franky Shadows, found out that Abie was both Italian and Jewish.

Growing up, Sicilian Abie was blessed with Grandma, his Mother's Mother, who lived with the Megnaghi's and who was and always will be an Angel from Heaven, who instilled in all the Megnaghi grandchildren, Alfonso, Simcha, Abie, Fortune and Sholly (Andrew), a special pride beyond words of being born a Jew.

Abie was blessed with natural abilities, endowed by his Maker, to be what we call "an Earner."
Over the years, Abie achieved great success in his pursuit of commerce.

Abie Megnaghi is being honored tonight more for the qualities that only G-D knows about Abie than what we know about Abie, because as his Godfather, he reminds me of another leader of the Jewish people, another Abie (Abraham), who many years ago, was described by a very astute gentleman, when asked to describe that Abie, his answer was brilliant, he said "Abraham of his People."

**TONIGHT'S MAN OF THE YEAR AWARD IS AN OFFICIAL RECOGNITION
THAT OUR ABIE MEGNAGHI IS NOW THE 'ABRAHAM OF OUR PEOPLE'.**

May his life continue Chazak, Chazak, V'nitchazek, Strength, Strength and continued to be Strengthened, fulfilling his role as the Leader of our People with both physical strength and greatest wisdom.

Love, Pops

This is dedicated to Ziv and Shoshana David

Chabad of West Orange is a most unique Chabad. What makes it so unique is that Chabad of West Orange is a House of Worship, unlike any other Chabad, Synagogue, Shul, I ever found myself, in my 65 years of travel throughout the world to nearly 70 countries, because of the diversity of its people.

But one of our people in particular tonight is being honored, for which I would like to make my thoughts to be read and understood.

His name is Ziv David, the son of the ancient community of Yemen, whose ancestors fought the threats and pressures of Moslem extortion over the many centuries to force them to convert, whose allegiance and loyalty to G-D and to G-D's Torah, given to our Prophet, Moshe Rabbeinu, was reinforced by the Great Rambam, who wrote his famous "Iggeret Teiman."

Ziv David is the living reminder of the Proud Jew, perfect in his pride, whose ancestors not only resisted but strengthened Torah from generation to generation.

Chabad of West Orange is blessed to have Ziv David in our world. His uniqueness is he exudes the best of Jewish Pride and Strength by reminding us of the Modesty and Humility of Moshe Rabbeinu.

His wife Shoshana, who shares with her Husband's honor tonight, once told my wife, "I'm blessed to be Mrs. Ziv David.

Ziv David is blessed to have Mrs. Shoshana David as his loving wife. Shoshana is the model of the Eshet Chayil that Shlomo Ha'Melech had in mind when composing the blessing we sing on Friday nights.

Myron Sugerman

This page is Dedicated to Dr. Steven Reich

Chabad of West Orange is blessed to have
Dr. Steven Reich as our dinner's Keynote speaker.

The Rabbi's decision to give the honor of Keynote speaker is a tribute to both Dr. Reich and also to our Rabbi Mendy Kasowitz, because Dr. Reich is a recent newcomer to Chabad, but he's the type of a Man, who one immediately understands "This is a Man's Man" from the moment of meeting, the firm handshake, the strength that one senses, a man of knowledge and intellect and Jewish pride, and our Rabbi picked up on all of this from day one.

The Rabbi later on confided in me,
"Pops, What a great guy Dr. Steven!
We're blessed!

As a follower of the great Vladimir Zev Jabotinsky, the founding father of Revisionist Zionism, who wrote more than 100 years ago, that the New Jew, will be described by the Hebrew word "Hadar," one sees in Dr. Steven Reich the embodiment of all the qualities of "Hadar", Strength, Pride, Loyalty, Respect and many other lofty values.
